^{IT} ZAVA è un'azienda di illuminazione che coniuga design, tecnologia e una manifattura di altissima qualità, 100% made in Italy. Fondata oltre 40 anni fa come "officina artigianale" specializzata nella lavorazione del metallo, ZAVA si è evoluta anno dopo anno fino a diventare oggi un'azienda di respiro internazionale. Dotata delle più sofisticate tecnologie di produzione e di un elevato know-how illuminotecnico, ZAVA continua a custodire con orgoglio la propria cura artigianale che è evidente in ogni singolo prodotto. Ogni pezzo creato da ZAVA è frutto di lunga esperienza manifatturiera, creatività e attenzione per il design.

Grazie alla continua ricerca sui materiali e alla grande attenzione al design, l'azienda è in grado di offrire al progettista una vasta gamma di prodotti dall'estetica eccellente e dalle elevate prestazioni. Nelle lampade di ZAVA convivono la tradizione artigianale e le più avanzate tecnologie, mentre il lavoro abbozzato da macchinari di ultima generazione viene modellato da una sapiente e insostituibile lavorazione manuale. Ogni lampada della collezione è il risultato di un perfetto equilibrio tra la visione del designer e la grande esperienza di ZAVA che riesce sempre a trovare la soluzione esteticamente più bella e al tempo stesso più performante.

^{EN} ZAVA is a lighting company that combines design, technology, and top-quality craftsmanship, 100% made in Italy. Founded over 40 years ago as an "artisan workshop" specialized in metalworking, ZAVA has evolved year after year to become an internationally recognized company. Equipped with the most sophisticated production technologies and high-level lighting expertise, ZAVA proudly maintains its artisanal care, evident in every single product. Each piece created by ZAVA is the result of extensive manufacturing experience, creativity, and attention to design. Thanks to ongoing research into materials and a great focus on design, the company is able to offer designers a wide range of products with excellent aesthetics and high performance. In ZAVA's lamps, artisanal tradition coexists with the most advanced technologies, while the work outlined by state-of-the-art machinery is shaped by skilled and irreplaceable manual craftsmanship. Every lamp in the collection is the result of a perfect balance between the designer's vision and ZAVA's extensive experience, which always finds the most beautiful and high-performing aesthetic solution.

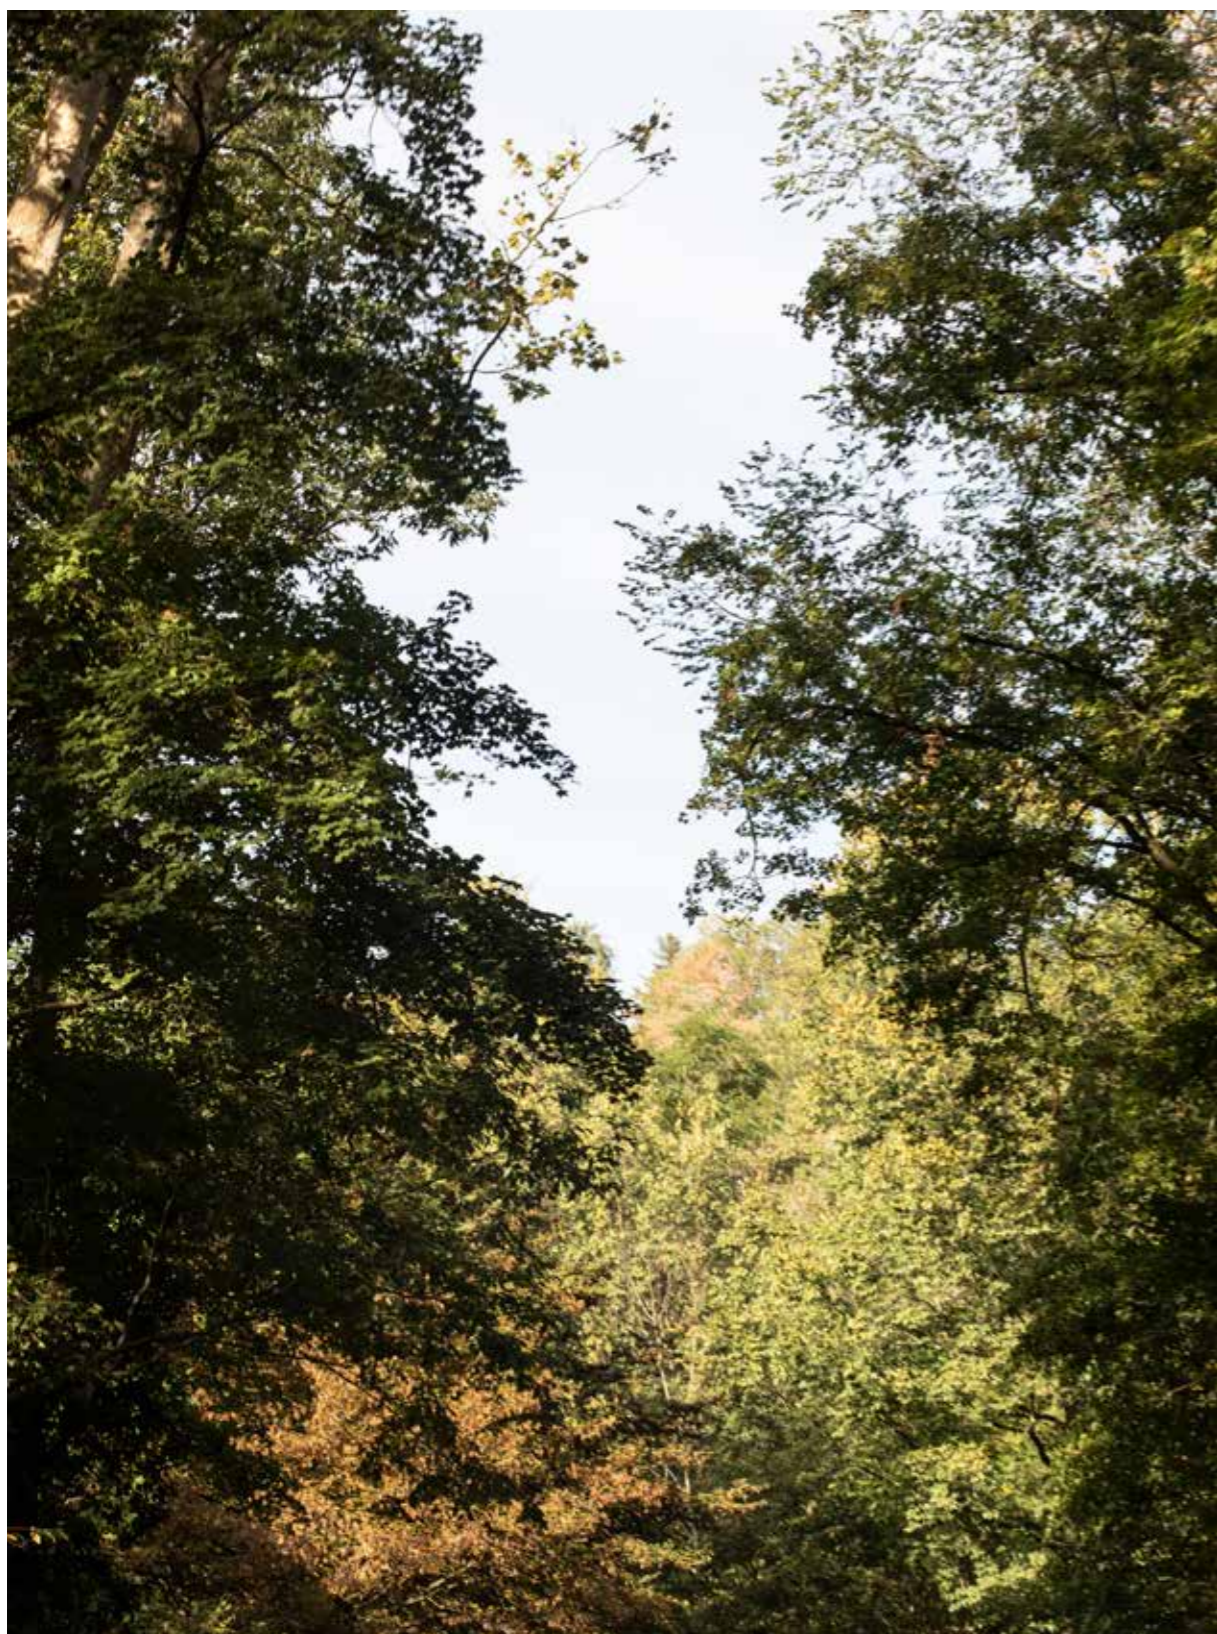

Franco Zavarise, Founder ZAVA

IT ZAVA rappresenta un'eccellenza nell'arte della lavorazione del metallo. Un laboratorio sartoriale dove le competenze tecniche e il quarantennale know-how dell'azienda si uniscono in un naturale processo di realizzazione di prodotti illuminotecnici di eccellenza, caratterizzati dalla cura maniacale per ogni dettaglio, sapientemente studiato e spinto fino ai massimi livelli estetici. ZAVA si distingue per la sua capacità di creare lampade di alta qualità dal design raffinato e dalle elevate prestazioni illuminotecniche per soddisfare le esigenze di ogni progetto di design d'interni.

EN ZAVA represents excellence in the art of metalworking. It is a tailor-made workshop where the company's technical skills and forty years of know-how come together in a natural process to create high-quality lighting products, characterized by meticulous attention to every detail, carefully studied and pushed to the highest aesthetic levels. ZAVA stands out for its ability to create high-quality lamps with refined design and high lighting performance to meet the needs of any interior design project.

ZAVA Headquarter surroundings

^{IT} In ZAVA la ricerca è da sempre prioritaria. Ricerca di nuovi materiali, nuovi colori, nuove soluzioni tecniche, nuove linee di prodotto, belle e funzionali. Le scelte di ZAVA sono sempre ben ponderate. ZAVA osserva e studia i cambiamenti, si lascia ispirare e analizza nel contempo le tendenze, valorizza creatività e innovazione, ricercando soluzioni creative e tecniche che interpretano al meglio le necessità della vita contemporanea. La sua vocazione è creare prodotti contemporanei e classici allo stesso tempo, un design allo stato puro, che non passa mai di moda e si esprime al di là del tempo. Un design forte e personale, filtrato dagli occhi e dal cuore dei designer e modellato dalle mani degli artigiani. Il design firmato ZAVA.

^{EN} Research has always been a priority at ZAVA. Research into new materials, new colors, new technical solutions, and new product lines that are both beautiful and functional. ZAVA's choices are always well thought out. ZAVA observes and studies changes, allows itself to be inspired, and simultaneously analyzes trends, valuing creativity and innovation, seeking creative and technical solutions that best interpret the needs of contemporary life. Its vocation is to create products that are both contemporary and classic, a pure design that never goes out of style and is expressed beyond time. A strong and personal design, filtered through the eyes and hearts of the designers and shaped by the hands of the artisans. The design signed by ZAVA.

I dati riportati in questo catalogo sono indicativi e non costituiscono impegno da parte di ZAVA che si riserva il diritto di apportare tutte le modifiche e migliorie che riterrà necessarie senza l'obbligo di preavviso. Tutti i modelli rappresentati in questo catalogo sono rispondenti a quanto prescritto dall'insieme di pratiche obbligatorie raggruppate nell'ambito della marcatura CE. La marcatura CE attesta che gli apparecchi d'illuminazione rispondono a tutti i requisiti minimi essenziali richiesti dalla Direttiva Comunitaria CEE 73/23 e relativa modifica CEE 93/68. A tale proposito, gli stessi apparecchi, sono stati progettati e costruiti in conformità alle Norme armonizzate CEI EN 60598-1 - VIII EDIZIONE. I nostri uffici commerciali rimangono a vostra completa disposizione per qualsiasi ulteriore delucidazione. I colori riportati nel catalogo sono indicativi. Tutte le misure sono espresse in centimetri.

^{EN} The data in this catalogue are indicative and do not constitute a commitment on the part of ZAVA, which reserves the right to make any changes and improvements it may deem necessary without prior notice. All the models shown in this catalogue comply with the requirements of the set of mandatory practices grouped together under the CE marking. The CE marking attests that the luminaires meet all the minimum essential requirements of the Community Directive EEC 73/23 and its amendment EEC 93/68. In this respect, the same appliances, have been designed and constructed in accordance with the CEI EN 60598-1 - VIII EDITION. Our sales offices remain at your disposal for any further elucidation. The colours shown in the catalogue are indicative. All measurements are in centimeters.
