About Tom Rossau

THE ESSENCE of Tom Rossau's design philosophy lies in the curvaceous landscape and ethereal light of Odsherred, the place he was born and raised. With a focus on the intriguing relationship between geometry, materiality, and light, Rossau's work is a celebration of timeless craftsmanship and elevated design. The essence of a Tom Rossau lamp lies in its transformative nature. The design must hold its own in natural daylight but with a mere flick of a switch, the lamp comes to life and illuminates spaces with warmth, ambiance and atmosphere.

Designed and made in Denmark

TOM ROSSAU'S DESIGN ethos revolves around the versatile use of strips, a hallmark of the brand's identity. The designs are shaped by the unique qualities of materials like wood, paper and metal, guiding the hand-built production process in Copenhagen. From the tactile feeling of wood, to the sleek luminosity of aluminium, the materials play with light in captivating ways and every intersection narrates a story of craftsmanship and innovation. Embark on a sensory journey with the Tom Rossau collection, where sight and touch merge in harmony.

Materials

BIRCH VENEERPlywood, 2/3 layers
Untreated natural birch wood
Thickness: 0.4/0.7/0.8 mm
Certifications: PEFC, FSC
Produced in Finland**PC NON-WOVEN**Non-woven composite, 5 layers
Core: Polycarbonate (PC) rigid film
Inner layer: Paper, 100% cellulose
Outer layer: Polyester (PET),
non-woven fabric
Water based glue
Thickness: 0.6 mm
Produced in Spain**PLASTIC WHITE**Polypropylene (PP)
Foggy white, with UV additive
Thickness: 1.0 mm
Produced in France**JAPANESE PAPER**Japanese composite washi paper, 5 layers
Core: Polyethylene Terephthalate (PET)
Inner layer: Rayon Yaru Washi (85% alpha
cellulose, 15% rayon fibers)
Outer layer: Polypropylene (PP)
Thickness: 0.25 mm
Produced in Japan**BRUSHED ALUMINIUM**Anodized aluminium foil, 2 layers
Coupled with polyurethane glue
Thickness: 0.3 mm
Produced in Italy**WATER STAIN**Natural pigment powder stain
Produced in Germany
